

A promise is a promise: Our excellent ingredients

Our quality promise

At JOSI we have set ourselves a challenge: we want to offer our pets the finest pet food. That means excellent ingredients, fuss-free and breed-appropriate recipes. Simply good pet food – day in and day out.

Climate neutral production

We are constantly working on more sustainable solutions. We have already managed to make production of our products climate neutral. This means, we offset all the CO₂ emitted.

About us

JOSI. At brand JOSI we provide only the best ingredients with utmost care. Healthy, tasty and fuss-free Dog and Cat food at a reasonable price.

With over 80 years of experience in animal nutrition we provide your dogs and cats with real, regional variety. Whether your pet is an energetic bundle of energy, a wild hunter, or a four-legged senior of a certain age. With JosiCat and JosiDog, every bowl has something to offer. And not with artificial colourants, flavourings, and preservatives, but with a lot of love for details, for our four-legged friends, and for our home.

Because let's be honest: everything tastes better at home!
