

SMOOTHIES *for Cats and Dogs*

Our new **MAC's Paw Power Smoothies** are wholesome supplementary feeds that come with useful functions: They address important needs such as healthy skin and coat, joint care or the regulation of the intestinal flora – a healthy snack for a happy pet life.

- 🐾 simplifies administering medication
- 🐾 supports hydration
- 🐾 supplements dry or wet food
- 🐾 convenient while travelling
- 🐾 can be served as a topping, ice cubes, dog ice cream, in a bowl or on a lickmat

DOG

BEEF *Joint Care*

Composition: 66% meat juice, 25% beef meat, 2% chicken liver, 2% blueberries, 2% sweet potatoes, 0.55% linseed oil (pressed), 0.5% minerals, 0.5% rose hips, 0.3% MSM (methylsulfonylmethane), 0.2% nettle, 0.2% chamomile, 0.2% eggshell powder, 0.2% chondroitin, 0.15% green-lipped mussel, 0.15% maritime collagen peptide, 0.05% Betaglukan

Can strengthen joints and bones, enhances mobility and can ease the inflammation of the joints.

CHICKEN *Skin & Coat*

Composition: 64% meat juice, 27% chicken meat, 2% chicken liver, 2% parsnips, 2% apricots, 1% banana, 0.5% minerals, 0.4% salmon oil (refined), 0.22% rose hips, 0.2% parsley, 0.2% rosemary, 0.2% eggshell powder, 0.13% brewer's yeast, 0.13% seaweed flour, 0.02% beta glucan

Provides essential nutrients and supports healthy skin and shiny coat.

TURKEY *Digestion Plus*

Composition: 66% meat juice, 27% turkey meat, 2% chicken liver, 2% sweet potatoes, 2% peas, 0.5% minerals, 0.4% carrots, 0.4% hemp oil (cold-pressed), 0.35% pea protein, 0.33% Inulin, 0.2% dandelion, 0.2% cress, 0.2% eggshell powder, 0.2% apple, 0.13% seaweed flour, 0.06% fructo oligosaccharides (FOS), 0.02% beta glucan, 0.01% mannan oligosaccharides (MOS)

Regulates the digestion and stabilizes the intestinal flora.

CAT

CHICKEN *Skin & Coat*

Composition: 66% meat juice, 25% chicken meat, 2% chicken liver, 2% parsnips, 2% apricots, 1% banana, 0.5% minerals, 0.4% salmon oil (refined), 0.22% rose hips, 0.2% parsley, 0.2% rosemary, 0.2% eggshell powder, 0.13% brewer's yeast, 0.13% seaweed flour, 0.02% beta glucan

Provides essential nutrients and supports healthy skin and shiny coat. Since Taurin cannot be produced by the cat itself, it is included to support essential body functions.

TURKEY *Digestion Plus*

Composition: 68% meat juice, 23% turkey meat, 2% chicken liver, 2% sweet potatoes, 2% peas, 0.5% minerals, 0.4% carrot, 0.4% hemp oil (pressed), 0.35% pea protein, 0.33% inulin, 0.2% dandelion, 0.2% cress, 0.2% eggshell powder, 0.2% apple, 0.13% seaweed flour, 0.06% fructo oligosaccharides (FOS), 0.02% beta glucan, 0.01% mannan oligosaccharides (MOS)

Regulates the digestion and stabilizes the intestinal flora.

DRINKS *for Cats and Dogs*

This year's summer comes with tasty refreshments: Our new **MAC's Paw Power Drinks** consist of nutritious fresh meat, vitalizing liquid and healthy vegetables. As an effective food supplement, they ensure high acceptance and are a real delicacy for your pet!

- 🐾 simplifies administering medication
- 🐾 supports hydration
- 🐾 supplements dry or wet food
- 🐾 convenient while travelling
- 🐾 can be served as a topping, ice cubes, dog ice cream, in a bowl or on a lickmat

DOG

BEEF

Composition: 79.6% meat juice, 15% beef meat, 5% sweet potatoes, 0.25% inulin, 0.1% minerals, 0.05% dandelion

Sweet potatoes are easily digestible and rich in fibre and antioxidants. Dandelion has an appetising and diuretic effect.

CHICKEN

Composition: 79.6% meat juice, 15% chicken meat, 5% carrot, 0.25% inulin, 0.1% minerals, 0.05% parsley

Carrots are great sources of fibre, vitamin A and beta-carotene. Inulin enhances bone health and protects from cardiovascular diseases.

VEGETABLES

Composition: 84.6% vegetable broth, 5% sweet potatoes, 5% pumpkin, 5% carrot, 0.25% inulin, 0.1% minerals, 0.05% nettle leaves

While sweet potatoes include fibre and antioxidants, carrots provide lots of vitamin A and beta-carotene. Nettle leaves can reduce inflammation.

CAT

CHICKEN

Composition: 81.6% meat juice, 15% chicken meat, 3% carrot, 0.25% inulin, 0.1% minerals, 0.05% parsley

Carrots are great sources of fibre, vitamin A and beta-carotene. Inulin enhances bone health and protects from cardiovascular diseases.

BEEF

Composition: 81.6% meat juice, 15% beef meat, 3% sweet potatoes, 0.25% inulin, 0.1% minerals, 0.05% dandelion

Sweet potatoes have a digestive effect and are rich in fibre and antioxidants. Since Taurin cannot be produced by the cat itself, it is included to support essential body functions.
